最初的一步

The First Step

We admire those with the strongest wills, what's so wrong with seeking self gratification?

The end goal of Unweather is to trample everyone.

The quest and phantoms aren't there anymore, right?

Without Gods, there would be no gods to worship.

Myself, I think I'll follow that lead.

Like I care, morose.

It'd just be for that last opportunity.

You'll
Die.

THE LAST PAGE

DON'T
JOKE
ABOUT
IT!

Yeah, it
doesn't
really
seem that
easy though.

See?

Then
why??

Why when
a fight
begins do
you throw
yourself
in all the
way??

One day I
went outside
the city to
play, and
there was
a honey
comb.

Just as
I thought
I was in
a safe place,

before I
knew it
the water
in the
river
had risen.

But I got
trapped
in a hole.

When I
tried to
get back
up.

For some
reason, I
wasn't able
to...

Even though
I knew that
if I went
for help in
the only
place I
could

I really
didn't know
what I
should
have done.

But by the
time I returned
he was already...

Eventually
I went to call
for help

AAAAH!

Oh, it's all
my fault that
is.

Awah.
